

Trust Member Challenge!

Thanks to our many supporters, The Palace Theatre has been entertaining audiences for over 90 years!

We hope to continue this tradition for the next 90 years. While ticket sales support show expenses, The Palace Theatre requires more funding to financially sustain itself. Proceeds from memberships and fundraisers help offset facility costs that top six figures annually, including utilities, maintenance, and normal wear and tear on a historic building that offers so much and sees so many patrons pass through each year (70,794 in 2016).

Renovation projects completed in the last two years include roof and parapet wall repairs, interior plaster repairs and painting, electrical repairs (conduit, wiring, lighting), dome patch, new stage flooring, plumbing repairs and a new awning. However, there is more to do at The Palace.

Our ability to continue such projects depends on the support from friends like you. We ask you to renew your annual membership **and** offer the following incentive for you to introduce the Trust and our mission to your friends and family.

2017 Trust Member Challenge GIFT CERTIFICATE GIVE-A-WAY...
